

GEOLANDAR X-AT G016

I AM THE ULTIMATE CHALLENGER.

EXTREME ALL TERRAIN

The Geolandar X-AT is designed for extreme traction wherever you go, with strength of a Mud Terrain tyre in an All Terrain pattern. Suitable for 4WDs and Utes requiring durability, long tread life, off-road & wet surface traction, on road handling, low noise and a comfortable ride.

Benefits

Longer mileage, anti-cut & chipping, extreme handling and off-road traction.

Extreme off-road traction and superior performance.

Two different sidewall designs to choose from, Protector & Lug.

Creates biting edges for improved off-road traction and creates more void area to help expel dirt and mud.

3 PLY construction with high turn up and thicker sidewall for extra protection.
