

BluEarth-GT AE51 I AM THE ALL ROUND PERFORMER.

NEXT LEVEL SAFETY & PERFORMANCE

BluEarth-GT AE51 is packed with features that deliver everything you want from a tyre. Sport Performance, Wet Braking Performance, Fuel Saving Performance, Mileage Performance, and Ride Comfort Performance.

Why not step up from the basic standard tyre and step into the “Next Level” BluEarth-GT AE51, and experience the extra margin of safety, performance and comfort. The BluEarth-GT AE51 is already recognised by Global Car Manufacturers such as Lexus, Toyota, and Mazda and has been selected as original equipment for its high level all round performance.
